**FOR USE BY DISTRICT MANAGER OR ADMISISTRATION MANAGER**

Summary of all hazards in area – fill out this form on your way to Command Post and give it to district manager.

\* For structure damage: h=heavy, m=moderate, l=light

District Manager: Choose an incident, put a slash in the assignment completed column, copy the address to the incident name section of the Incident Briefing, and give Incident Briefing and assignment Status to operations manager. Copy address/location to Post-Incident Status and enter start time. When incident is complete, put a backslash in the assignment completed column and the incident and time on the Post-Incident Status form.

Column "F" – Enter a slash "/" if assignment is ongoing and not completed. Enter an "X" if assignment is completed.
